

CURRICULUM VITAE

Full Name: Herman Edward Mkumbwa

Phone: 0616717940

Email: harmonysmart004@gmail.com

Address: Dar es Salaam, Tanzania

Nationality: Tanzanian

Gender: Male

Career Objective

I am an undergraduate Data Science student with a strong interest in statistics, data analysis, and quantitative research. I enjoy working with data to understand patterns and generate insights that can support informed decision-making, planning, and policy development. Through my studies, I have developed practical technical skills, problem-solving ability, and experience working collaboratively with others. I am eager to continue learning and to contribute meaningfully in research institutions, organizations, and other data-driven environments.

Educational Background

Eastern Africa Statistical Training Centre (EASTC) – Degree in Data Science
(2023 – 2026)

Tarakea Secondary School – Advanced Certificate of Secondary Education (2021 – 2023)

St. Joseph's Soni Seminary – Certificate of Secondary Education (2016 – 2020) **Swafaa**

Islamic Primary School – Primary Education (2009 – 2015)

Academic Projects / Research Experience

- Conducted data collection, cleaning, analysis, and interpretation for academic and practical projects.
- Gained field experience at **Muheza District Council**, participating in data-related and administrative activities.
- Acquired practical ICT exposure at **Goodhope Technology**, supporting software and web development tasks, CCTV installation, and technical operations.
- Utilized statistical software and programming tools to generate insights and reports. • Worked in group-based projects, contributing to research design, analysis, and presentation of findings.
- Developed strong analytical thinking, research ethics, and documentation skills.

Technical Skills

- Data cleaning, analysis, and interpretation • R, Python (basic), Microsoft Excel
- System and Web development.
- Dataset organization and validation
- Research methodology and reporting
- Teamwork and communication skills

Achievements & Certifications

- Ongoing Bachelor's Degree in Data Science – Eastern Africa Statistical Training Centre (EASTC)
- Completed academic projects demonstrating skills in data analysis, programming, and research.
- Participated in fieldwork at Muheza District Council, gaining practical data collection and analysis experience.
- Gained practical ICT and software exposure at Goodhope Technology, including software/web development and CCTV installation.

Languages

English – Fluent

Swahili – Fluent

Interests

- Data Science and Statistical Research
- Data Analysis and Visualization
- Technology and Innovation
- System and Website development.
- Community Development and Team Projects.
